

Centurion Collection

Sleek, tapered and sophisticated

The sleek and tapered look of the Centurion Collection is accentuated by the discrete step design of the planter top. The lightweight GFRC concrete is durable enough for high traffic locations yet light enough to be moved. Centurion Collection pots add a sophisticated style and timeless elegance to either indoor or outdoor environments.

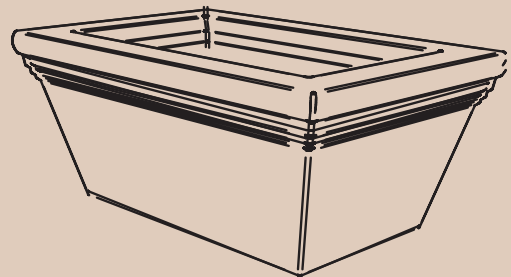

- Lightweight GFRC are designed to be durable despite low weight - even for heavy-traffic locations
- Coordinates with our industry-leading self-watering container irrigation products
- Applied finishes feature natural quartz and mica sands, and can be refinished and repaired on site as required
- Square, round and rectangular sizes from 18" to 72", with customization available
