

Trash & Ash Receptacles

Because trash has to go somewhere!

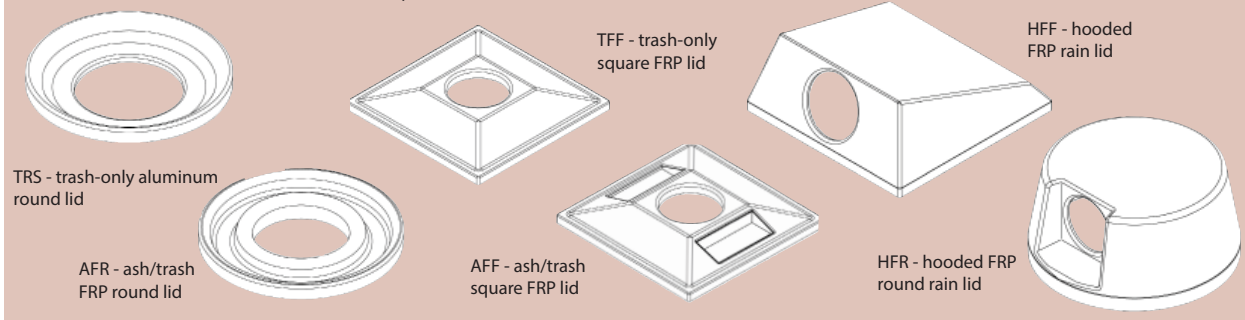

Tournesol Siteworks trash and ash receptacles are designed to stand on their own or be used in conjunction with a matching pot & planter collection. Most designs are available in either FRP fiberglass or lightweight GFRC concrete for durability. We offer a range of lid materials and configurations to suit your need (and your price point). No matter the public space, we have a practical solution!

- Manufactured in eight collections, two materials, five textures, with eight lid options - something for every application
- All trash cans include 20- or 23-gal. removable plastic liners
- Available in matching single-, double- or triple-stream recyclers
- All styles available in both trash, ash, or trash/ash configurations

Trash Can Lid Options:

Round lids are available in either economical FRP fiberglass, or attractive anodized aluminum. Both round and square can be configured as a trash-only lid, or with sand inserts for an ash/trash solution. For applications where rain is an issue, use our hooded lids.

Trash & Ash Receptacles

each part number below is completed with a lid type from the following section

Part No.	Collection	Shape	Material	Trash Dimension	Ash Dimension	Liner
QS-	Aquarian	Round	FRP Fiberglass	30" Dia. x 30"H	Not Available	LLDPE 20 Gal. round
QCS-	Aquarian	Round	GFRC Concrete	30" Dia. x 30"H	Not Available	LLDPE 20 Gal. round
VS-	Village	Round	FRP Fiberglass	24" Dia. x 30"H	18" Dia. x 24"H	LLDPE 20 Gal. round
VCS-	Village	Round	GFRC Concrete	24" Dia. x 30"H	18" Dia. x 24"H	LLDPE 20 Gal. round
MS-	Metro	Round	FRP Fiberglass	24" Dia. x 30"H	18" Dia. x 24"H	LLDPE 20 Gal. round
MCS-	Metro	Round	GFRC Concrete	24" Dia. x 30"H	18" Dia. x 24"H	LLDPE 20 Gal. round
DS-	Downtown	Round	FRP Fiberglass	24" Dia. x 30"H	18" Dia. x 24"H	LLDPE 20 Gal. round
DCS-	Downtown	Round	GFRC Concrete	24" Dia. x 30"H	18" Dia. x 24"H	LLDPE 20 Gal. round
WS-	Wilshire	Round	FRP Fiberglass	24" Dia. x 30"H	18" Dia. x 24"H	LLDPE 20 Gal. round
WCS-	Wilshire	Round	GFRC Concrete	24" Dia. x 30"H	18" Dia. x 24"H	LLDPE 20 Gal. round
UR-	Urban	Square	FRP Fiberglass	22" square x 34.5"H	18" sq. x 24"H	LLDPE 23 Gal. square
UCR-	Urban	Square	GFRC Concrete	22" square x 34.5"H	18" sq. x 24"H	LLDPE 23 Gal. square
WR-	Wilshire	Square	FRP Fiberglass	22" square x 34.5"H	18" sq. x 24"H	LLDPE 23 Gal. square
WCR-	Wilshire	Square	GFRC Concrete	22" square x 34.5"H	18" sq. x 24"H	LLDPE 23 Gal. square

Lid Options

(combine lid with receptacle type listed above)

Part No.	Description	Shape	Material
-TRS	Trash Lid, 9" opening (for round and square receptacles)	Round	Aluminum anodized
-ATR	Ash/Trash Lid, 9" opening with 2.5" concentric ash ring (for round and square receptacles)	Round	Aluminum anodized
-TFR	Trash Lid, 9" opening	Round	FRP Fiberglass, color to match
-AFR	Ash/Trash Lid, 9" opening with 2.5" concentric ash ring	Round	FRP Fiberglass, color to match
-TFF	Trash Lid, 9" opening (for square receptacles only)	Square	FRP Fiberglass, color to match
-AFF	Ash/Trash Lid, 9" opening, with galv. steel ash inserts	Square	FRP Fiberglass, color to match
-HFR	Hooded Trash Lid, 5.5" opening (to minimize rain intrusion)	Round	FRP Fiberglass, color to match
-HFF	Hooded Trash Lid, 5" opening (to minimize rain intrusion)	Square	FRP Fiberglass, color to match
-ASH	Ash tray only (note ash urns are typically smaller than trash receptacles)	Round	Aluminum anodized
-ASH	Ash tray only (note ash urns are typically smaller than trash receptacles)	Square	Galvanized powdercoated steel
